London circuit is closed between Northbourne and Theatre Lane. There is no access to Theatre Lane (this is the road that goes behind the theatres) or Theatre Lane car park (the one next to the playhouse).

we advise that students walk via the front of the Canberra theatre centre and around the Library to the new stage door (pictured right)

There is a drop off only zone outside the Canberra Theatre Stage door (see in map) off Constitution Ave. We will have escorts from the drop off zone to the Playhouse. Please be aware that this area is a small turnaround zone. Waiting here for extended time will cause a blockage, and you could be fined.
