2nd Year Alberta Ballet School Post Graduate Program.

Hi KHSD fam! I have returned to Calgary for my second year at Alberta Ballet School as a Professional Graduate student and have moved into the PGT (Professional Graduate Trainee) class. It has been such an exciting start to the year, and one of my biggest highlights so far was getting the opportunity to perform at the historic Jacob's Pillow as part of YAGP's Fresh Voices in Dance. I performed Tipping Point, choreographed by Davidson Farias, which was such an amazing experience and something I am so grateful to have been a part of. I have also had the opportunity to visit Alberta Ballet Company while they were preparing for Giselle.

It was so interesting to watch the rehearsals, learn some of the traditional choreography and even get to join in with one of their company classes. It was such a great experience to see what life is like.

Training has been keeping me very busy, but I am really enjoying being back, making new friends and meeting so many lovely people along the way. I have been recently focusing on auditions for next year! There have been lots of new challenges and exciting opportunities already, and I am looking forward to seeing what the rest of the year brings!
